

Series name:
W-Hi

The undersigned Giovanni Cimini as the legal representative of WESTERN CO. Srl based in Via Pasubio 1/3 63074 San Benedetto del Tronto (AP) C.F. and VAT number 01192450441, registered in the business register of the Chamber of Commerce, Industry, Crafts and Agriculture (CCIAA) of Ascoli Piceno, ordinary section, R.E.A. 120582

declares

that the temperature of the inverters W-Hi cover could get up to 70°C.
The cover plate is made from all Aluminum by die-in one casting. This design makes the inverter cover a radiator itself, the heat inside can be transmitted to the cover. It is normal that temperature on the cover reaches up to 70°C. The cover is hot; however, the internal circuit is cool. Inverters which are correctly installed and correctly operated as per user manual will all be covered by Western CO.'s warranty.
